

LSF - Presentation

- Registration -> received login information on letter
- Lecture searching
 - Courses -> Search for Lectures
 - Title of lecture, Teacher, Number of lecture, Type of lecture (Vorlesung, Übung ...)
- Course schedule
- apply application
 - preselect -> Schedule preselected
 - Personal Timetable (on Courses -> Schedules) -> apply application
 - for practices it's possible to choose priorities
 - Note for application apply's
 - mostly not necessary, but recommended for calculation
 - For Internships apply is unconditional ! (because there should be a waiting list)
 - pay attention on occupancy phases / deadline (announcement by examination Office)
- cancel application
- Administration of exams
 - Register or cancel exams requires tan
 - first TAN's will be sent by letter, after that you have to generate them
 - no exam without registration
 - there will be exams written each semester, others will be written every second
 - print your registrations for your own security
 - pay attention on Deadlines (mostly 2 weeks before exam - take a view on announcement by examination Office!)
 - you can cancel applies until 7 days before exam, thereafter you have to bring an Certificate of disability by a doctor to the examination Office
 - Exams Extract
- TAN-Management

Dienstag, 20. Oktober 2015

- pay attention on terms (top, left)
 - if there are more than 1 course of studies, there also
